

Automatic Opening Knives Warranty Repair Request

CRKT's Automatic Opening Knives are intended for use by Armed Forces and other consumers where the law permits.

Columbia River Knife & Tool warrants to the original owner that their knife will be free of defects in materials and workmanship. Please review the warranty information before returning a knife under warranty claims.

We request that you fill out the required form and send it with the knife so that we can service and safely return your knife in a timely manner. The knife must be shipped by owner, prepaid and insured, together with a full description of the warranty work requested.

IMPORTANT! Any automatic opening knife returned for warranty service from outside of Oregon **MUST** also include the **"Automatic Opening Knives Warranty Repair Request Form"** or be returned through an authorized CRKT dealer.
